URGENT NEWS UPDATE – 6/9/08

FROZEN/REFRIGERATED FOOD BLANKETS

As we head into the warmer weather we need to be proactive in handling our refrigerated and frozen foods more carefully. **All agencies, who drive over 30 minutes from our warehouse to their church/pantry and are taking frozen and refrigerated products must have a freezer blanket** to maintain the proper temperature levels.

According to food-handling regulations we are required to make sure proper temperature controls are maintained. More importantly we do not want to injure those we are trying to help.

The blankets cover a pallet five feet tall. **The cost per blanket is \$144.00** and due at next load out.

We will have your blanket available for you to use at the next load out, but ***you most order it today. YOU MAY NOT PICK UP REFRIGERATED/FROZEN PRODUCT WITHOUT THE BLANKET.***

Thank you for your assistance as we continue to grow and move forward in our mission to serve those in need.
